

FIT Ergonomic Interlocking Drainage Floor Tiles

The most versatile 12" x 12" interlocking ergonomic drainage tile system on the market. The patented LockSafe connectors easily snap together and configure to fit any area.

The top surface and underside of FIT tiles are designed to allow rapid drainage of fluids. FIT tiles stay together well, making them ideal as a liner for mobile tool storage bins that require frequent removal for cleaning purposes.

- Exceptional comfort for wet applications.
- Customize in 3" increments to fit virtually any flooring layout.
- Positive Interlocking System helps prevent tile separation.
- Tiles can easily be replaced as needed to reduce costs.
- 100% Silicone Free PVC drain tiles.
