

High Definition Waterhog Logo Mats

High Definition Waterhog Logo Mats offer a wider range of colors and enhanced design detail while still aggressively scraping dirt, debris and moisture just like any other Waterhog mat.

Waterhog Impressions HD Logo Mats are capable of displaying high-detail logo images with a vast array of colors and patterns. Custom Waterhog HD Floor Mats boast a heavy-duty, raised-square top surface pattern for expertly cleaning and drying shoes and boots.

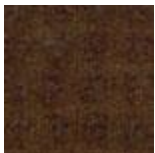

- High-Definition Waterhog Logo Mats have a water-dam border that retains dirt and moisture within the mat, preventing overflow onto the surrounding floor. Additionally, these waterhog mats can hold up to 1.5 gallons/SY of water, further helping to contain rain and snow.
- The HD Waterhog Impression Mat's surface is constructed from an anti-static polypropylene fabric that dries quickly. The 100% EXS Nitrile Rubber backing is engineered to withstand a lot of foot traffic and yet stays fully launderable.
- With 56 attractive colors to choose and virtually unlimited shading & fading capabilities, the possibilities are endless with these Waterhog Impression mats.
- NO artwork or setup charges.
