Waterhog Classic Fashion Mats

Waterhog Fashion Mats are the most popular entrance mats in the industry. Due to their raised square or "waffle" like pattern, these entrance floor mats are very aggressive in scraping shoes clean of dirt, debris and water.

- The Waterhog Fashion Mat also features a water dam border that can hold up to 1.5 gallons/square yard of water.
- The surface of the Waterhog floor mats are constructed from an anti-static polypropylene material which will dry quickly and will not fade nor rot, making the Waterhog Fashion a perfect floor mat for both indoor or outdoor applications.
- To clean the Waterhog Mats, simply use a vacuum, extraction cleaning methods, or hose off and hang dry.
- Waterhog Fashion mats are now made with 20% recycled content.
