Waterhog Eco Berber Logo Mats are excellent logo mats for use in high-traffic areas. These logo mats offer aggressive scraping action both indoors and outside.

- The custom logo is inlaid into the mat like a puzzle, producing a highly detailed design with razor sharp clarity.
- Waterhog Eco Berber Mats can be manufactured in sizes up to 13' 4" wide and virtually any length.
- UV-stabilizers protect the logo mat, making it fade resistant, even in direct sunlight, as well as fast drying.
- The Waterhog ECO Berber Logo Mat's solution dyed, coarse fibers scrape debris and water off of shoes and can hide the appearance of traffic patterns. Constructed using heavy-duty, ADA-compliant beveled nosing on all sides.

**** PLEASE NOTE: An artist's proof of the logo floor mat will be emailed to you for approval before production.**
