Waterhog Windmill Mats

Waterhog Windmill Mats display an attractive windmill themed surface design that can brighten up any entryway while effectively cleaning dirt and mud from shoes and boots.

- The Waterhog Windmill Mat includes a durable, water-dam border around the entire perimeter which can hold up to 1.5 gallons of water per square yard (to help keep the surrounding floor both safe as well as dry).
- Additionally, these waterhog mats have a windmill surface pattern which acts as a raised, multi-directional scraping action to remove dirt, debris, salts and sand as well as to wipe off rain and snow.
- The surface material of these Waterhog Windmill Mats is made with a fast drying, anti-static polypropylene, which is stain-, fade- and mildew-resistant, thus making the Waterhog Windmill Floor Mat an ideal entrance mat for both indoors and outside environments.
- To clean these Waterhog Windmill mats, simply shake out, vacuum, or for a deeper cleaning, hose off and hang to air dry.
- All Waterhog Windmill Mats are manufactured with 20% recycled content.

Item No: W.WHLPE

Standard Sizes (Approximate)

| Size | Qty. 1 | Qty. 2-10 | Qty. 11-25 | Qty. 26+ |
