Waterhog Plus Mats

Waterhog Plus Mats boast the rugged, durable construction of Waterhog Premier Mats with top-of-the-line Nitrile rubber backing for a long-lasting, flexible and easy to clean Waterhog solution. Waterhog Plus Mats are eco-friendly waterhog mats that are perfect for high-traffic locations and work great and lay flat even with frequent handling.

Each Waterhog plus mat has a unique swirl pattern which works its way into shoes to remove water and debris.

Clean waterhog plus door mats via vacuuming, hosing down, extraction cleaning and even laundering them in a commercial washer & dryer.

The Waterhog Plus floor mats work well both indoors and out.

A water dam rubber border keeps liquids in the trenches of this waterhog mat and off the floor.

Waterhog Plus Mats boast an anti-static, polypropylene surface that quickly dries and doesn't fade or rot.

Nitrile rubber-reinforced surface, borders and backing give these heavy-duty waterhog mats great flexibility, durability and strength.

Item No: W.EWPEM
